Make sure all your authors are listed.

Following please give your consent that your abstract will be published by the conference committee.

Next to that, please also acknowledge that your abstract will only be accepted if you have a valid registration.

You can either click on 'Save & continue later' to re-access your abstract and change it or on 'Save & submit' to complete/finalize it.

A screenshot of a web form for abstract submission. The form has a light blue background. At the top, there is a section titled 'Additional Authors' with a link 'add new' in red. Below this is a section titled 'Applicant Type' in a gold bar, with a dropdown menu showing 'Corresponding / Presenting author'. A status bar indicates 'Showing: 1-1 of 1'. The main content area contains two questions. The first question is 'If accepted, do you consent for your abstract to be published by the conference committee? *' with two radio button options: 'I consent' and 'I do not consent'. The second question is 'Please acknowledge that your abstract will only be accepted into the final program if you have a valid registration. *' with a checkbox. At the bottom, there are three buttons: 'save & continue later', 'save & submit', and 'cancel'. The 'save & continue later' and 'save & submit' buttons are highlighted with a red rectangular box.

Please note: once you click on '**Save & Submit**', your submission will be final and no further changes can be made.

Your abstract is uploaded successfully when you receive an automatic reply confirming your submission(s):
